

PROGRAMME PARTNERS

THE SUMMIT OF MINDS

This network develops a concept of high added value events based on three founding elements:

- great content;
- great people;
- great outdoor.

Its events unite leading political, academic and economic players to exchange about the major issues of the contemporary world. They are based on an experiential concept which combines reflection, physical effort and an exceptional natural setting.

RISK & OPS

Founded in 2016, this operational consulting firm supports large groups and SMEs in three areas:

- security;
- economic intelligence;
- business security.

Based in Toulouse, Risk & Ops specialises in risk prevention and management. Its consultants operate both in France and abroad in all business sectors.

MSC IN GEOPOLITICS & BUSINESS

JOIN A MASTER'S PROGRAMME SPONSORED BY A NETWORK OF INVESTORS

Sponsored by the companies Risk & Ops and the Summit of Minds, the MSc in Geopolitics & Business aims to train leaders that are capable of anticipating the risks of the future and, above all, of seizing new business opportunities.

The programme directly incorporates the expertise of general officers, geopolitical specialists and investors and ensures highly operational training in strategic watch and influence. The programme is designed to lead directly to a profession with high added value.
